EDUCATION BACKGROUND

September 2009

**Bachelor in Business
Information Technology,
Open
and Distance Learning
(ODLM) Program,
Kenya Methodist University,
Nairobi, Kenya**

2007 June - 2009 April

**Diploma in Business
Information Technology,
Strathmore University,
Nairobi, Kenya**

PROFILE

I am a web developer with much knowledge of front-end and back-end languages, UI/UX Design, responsive frameworks, databases, and Content Management Systems Specialist. My Vision is to be among best Online Platforms developers I can be and contribute to the technology industry with all that I know and can do, through best code and ethical practices.

I'm curious and enjoy work that challenges me to learn something new and stretch in a different direction. I do my best to stay on top of the state-of-the-art changes so I can meet challenges with tools well suited to the job at hand.

I want to develop a sound career as an IT business professional and specialize in programming by being an innovative person who can use creative skills to invent and present excellent work to society.

At peak of my career, I anticipate to engage in the promotion of community oriented natural resource planning and management in both micro- economic and co-operative environment using information technology knowhow.
